

Yousef Gheibi

FrontEnd Developer

Urmia , Iran 

(+98) 9214536991 

Gheibiyousef2000@gmail.com 

<https://www.linkedin.com/in/yousef-gheibi/> 

Front-End developer with proven ability to work effectively with senior developers who spend more time training. Eager for personal growth and software development, I participated in several coding boot camps for over 1000 hours to learn new languages while strengthening existing skills. Be ready to use your passion for programming in a talented engineering team to develop quality solutions.
